BC/BP Series Centrifugal Pumps

**Features:**
- impeller retainer or threaded impeller nut options
- stamped volute
- wet ends, motor pump units and carts
- 3A & CIPable

**Sizes:**
- inlet 1½” to 6”
- outlet 1½” to 4”

**Applications:**
- unloading
- transfer
- CIP supply

**Materials:**
- 316L
- buna, EPDM, silicone and FKM elastomers

---

RZL Series Positive Displacement Pumps

**Features:**
- front loading seals
- various rotor options
- 1”- 4” models stainless steel gear box standard
- 3A & EHEDG
- 100% CIPable

**Material:**
- 316L

**Sizes:**
- 1” to 10”

---

Ball Valves

**Features:**
- sanitary
- industrial
- 2-piece and 3-piece design
- various actuator and control packages

**Sizes:**
- ¼” to 4”

**Applications:**
- isolation
- diversion
- control

**Materials:**
- stainless steel and brass

---

Industrial Butterfly Valves

**Features:**
- various body, disc and seat material options
- ISO 5211 mounting pad
- various actuator and control packages

**Materials:**
- cast iron, stainless steel, aluminum, ductile iron and more

**Sizes:**
- 1” to 36”

---

Lug Butterfly Valve

Wafer Butterfly Valve
Chemical

ExD Series "The Hawk"
High Efficiency Centrifugal Pump

Applications:
• CIP
• fluid transfer
• filling

Materials:
• 316L
• buna, EPDM, silicone and FKM elastomers

Features:
• nut-less impeller and leak detection port
• adjustable discharge port 105° without disassembly of casing and front cover
• 3A and CIPable

Sizes:
• inlet 1” to 4”
• outlet 1” to 2 ½”

Safety Relief Valves

Application:
• protect against pressure build up

Material:
• 316L

Features:
• TUV certification
• valve body from solid bar
• manual override
• pneumatic operator available

Sizes:
• 1” to 2½”

Industrial Stainless Steel
Wafer Ball Valves

Applications:
• isolation
• control
• full flow

Material:
• CF8M

Features:
• alternative to a butterfly valve

Sizes:
• 1” to 4”

Weld Fittings

Materials:
• 304 and 316L

Finish:
• 3A sanitary finish ID and OD
• unpolished

Sizes:
• ½” to 12”
Dixon®, founded in 1916, is a premier manufacturer and supplier of hose couplings, valves, dry-disconnects, swivels, and other fluid transfer and control products. The company’s global reach includes a wide range of products for numerous industries including petroleum exploration, refining, transportation, chemical processing, food & beverage, steel, fire protection, construction, mining and manufacturing. Dixon®’s strategic objective is to create solutions that make products safer, leak-free, longer lasting, and always available.
